THE DEVELOPMENT DOSSIER

£1.5M Development happening in a Church near you!

Mother and Toddler, Youth Drama, Brownies, Guides, BB's and a variety of activities for the elderly are just a few of the events currently happening on our premises. However, our buildings are no longer fit for purpose and now require a major renovation and redevelopment. Therefore we are undertaking a radical project to alter and improve our current facilities in order that we can continue to provide suitable accommodation for groups and events in the community.

Now a year on in we have raised the fantastic sum of £342,500 through pledges and fundraising. We hope to continue to make good progress towards our ultimate aim over the coming months.

You can keep up to date with our progress at our website

In the meantime, have a look inside to see what plans we have.
